

PATROL LEADER
WORKSHOP October 7 – 9th

Dear _____,

You are invited and expected to attend this Patrol Leader Workshop. You were chosen to attend this weekend either because you are currently a leader of the troop or we expect that you will be in the near future. A parental excuse will be required for your absence. The information learned will greatly assist all involved in the leadership of Troop 628. This will not be the same course that anyone of you has attended. It is the goal of this troop that the patrol method and the patrol leaders will be the backbone of Troop 628 from now on. This method allows scouts to grow in their leadership skills and to shine as individual leaders.

We will meet at the club on Friday, October 7th at 6:00 pm and we will leave by 6:30. We need everyone there on time to depart as soon as possible.

The cost for the weekend is \$20.00 which is due by October 5th at the meeting.

The patrol leaders will not be doing the food shopping for this weekend but they will be using their patrol boxes to cook there.

We look forward to a fun weekend,

Scoutmaster

Senior Patrol Leader
